Important announcement

LapSF physician update

To all LapSF and Surgical Weight Loss Center of Hawaii patients,

As some of you may already know, Dr. Jossart recently underwent orthopedic surgery for an injury. He will require a prolonged convalescence and therefore will not return to practice at Laparoscopic Associates of San Francisco. Dr. Cirangle will assume your care and follow-up and continue to provide world class attention and treatment for which LAPSf has become noted for. Please feel free to contact the office at 415 561-1310 if we can be of any assistance or if you would like to schedule an appointment. You may also email Dr. Cirangle directly with any of your concerns at pcirangle@lapsf.com.

Sincerely,

--The Team at Laparoscopic Associates of San Francisco and the Surgical Weight Loss Center of Hawaii
